SUPPLEMENTARY INFORMATION: The NIAC is established under section 10 of E.O. 13231 issued on October 16, 2001, continued and amended under the authority of EO 14048, dated September 30, 2021. Notice of this meeting is given under the Federal Advisory Committee Act (FACA), 5 U.S.C.

appendix (Pub. L. 92-463). The NIAC provides the President, through the Secretary of Homeland Security, advice on the security and resilience of the Nation's critical infrastructure sectors.

Agenda: The National Infrastructure Advisory Council will meet in an open session on Monday, September 26, 2022 from 3:00 p.m. to 5:00 p.m. ET to discuss NIAC activities. The open session will include: (1) a period for public comment; (2) a discussion on *The Infrastructure Investment and Jobs Act/Bipartisan Infrastructure Law*; and (3) a roundtable discussion on potential study topics and subcommittees.

The council will meet in a closed session from 1:00 p.m. to 2:30 p.m. ET during which time senior Government intelligence officials will provide a classified threat briefing concerning threats to the Nation's critical infrastructure and engage NIAC members in follow-on discussions.

Basis for Closure: In accordance with section 10(d) of FACA and 5 U.S.C. 552b(c)(1), *The Government in the Sunshine Act*, it has been determined that a portion of the agenda requires closure, as the disclosure of the classified information that will be discussed would not be in the public interest.

The agenda item includes a classified threat briefing and discussion, at which time senior Government intelligence officials will discuss information concerning

threats to the Nation's critical Infrastructure with NIAC members. This briefing is anticipated to be classified at the secret level. Public disclosure of these threats, as well as vulnerabilities and mitigations, is a risk to the Nation's infrastructure security posture as adversaries could use this information to do harm. Therefore, this portion of the meeting is required to be closed pursuant to section 10(d) of FACA and 5 U.S.C. 552b(c)(1).

Dated: August 31, 2022.
